

Group Packing List

Go through the entire packing list and make sure that you have all of the required equipment. This will help to make the entire trip more pleasant and fun for everyone.

KITCHEN APPLIANCES - Propane really could be on the REQUIRED List, but a group could do their cooking over an open fire. With Fire Restrictions, Safety Concerns, and Scarcity of Firewood, it is strongly suggested to at least have Propane as your back up.

- Cooler(s) (may want to have separate coolers for dry goods, meats/dairy, and other cold stuff)
- Propane Tank(s)
- Propane Stove
- Water Filter
- Dish Washing Tubs
- White Gas Stove (performs better than propane in high altitude and cold weather)
- Drying Rack
- Water jug(s)
- _____

KITCHEN COOKWARE – Number of pans depend on size of group, and type of pots are relative to the meal plan.

- Pots
- Frying Pan
- Griddle
- Kettle and Lid
- _____

KITCHEN TOOLS

- Butcher Knife
- Spoon (Large)
- Can Opener
- Oven Mitt
- Cheese Grater
- Potato Peeler
- Measuring Cups
- Spatula(s)
- _____
